

CHITTURI S ANJANA SHREYA

Frontend Developer

<https://www.linkedin.com/in/ch-s-anjana-shreya-68a74628a/>

Safilguda, Sitaram Nagar
Hyderabad, India – 500056

Mobile: (91)7013612696
E-mail: chitturianjana@gmail.com

Skills

Frontend: React.js, JavaScript (ES6+), TypeScript, Redux Toolkit, Material UI

Real-time & Data: WebSockets, GraphQL, Highcharts

Backend (Exposure): Node.js, Express.js, MongoDB

Testing and Tools : Jest, React Testing Library, Git, GitHub, Chrome DevTools, Figma, Mixpanel, Postman

Work Experience

Hivel

June 2025 – March 2026

Role – Frontend Developer

- Built real-time, data-driven dashboards handling dynamic and streaming data in production environments
- Implemented efficient state management using Redux Toolkit (RTK Query) for scalable application flows
- Integrated GraphQL APIs, REST APIs, and WebSockets for real-time data synchronization
- Designed and optimized interactive data visualizations for performance and usability
- Wrote and maintained test cases to ensure application reliability and stability
- Debugged and resolved complex issues in production systems
- Contributed to complex, real-time interactive features including chatbot workflows and configuration-driven systems impacting overall application behavior

Edgeforce Solutions

Jun 2024 – Sept 2024, Jan 2025 – May 2025

Role - Frontend Intern

- Built responsive and high-performance frontend applications using React, focusing on usability and smooth user experience
- Developed and visualized **real-time sensor data systems**, processing live data from AWS-based systems.
- Implemented data processing and event-detection logic for wearable-based tracking systems (timing, activity detection, user-device mapping)
- Integrated frontend with backend services using REST APIs, with exposure to Node.js, MongoDB, and AWS serverless (Lambda, DynamoDB, S3)

Suvidha Foundation

June 2024 – July 2024

Role - Web Developer Intern

Made a clone of the official Suvidha Foundation website while interning as a web developer with **HTML, CSS and Javascript**.
